

Chris and Lotta's Prayer Update January 2020

**Dear friends,
Happy New Year to you!**

"Give thanks to the LORD, for he is good. His love endures forever." Ps. 136:1

We hope you had a good Christmas and New Year. We had a wonderful time in Gothenburg. We spent a couple of days with family and friends. This winter has been extremely mild, and we hardly had any snow. Even though it's sad that we didn't have a proper winter yet, we are on the other hand grateful for that, since we are in the middle of the first phase of moving, that is to move out from our existing apartment and move in temporarily to our friends house until we can move into our new apartment on 17th of February. All our activities are starting up in January and we are looking forward to seeing everybody again on Sunday in church.

Praise points:

- We are grateful for the rest we had during the Christmas break, and we are now looking forward to all the activities in January and spring term.

Prayer points:

- Please pray for the bible study groups that we are starting up next week. Lotta is working with the bible study group in Uppsala. Chris is continuing to do one-on-one training.
- Please pray for Lotta's teaching in the bible school this semester. She will do the wisdom books and the prophets. Pray that God will give her wisdom in her interaction with the liberal students.
- Please also pray that our move to Åkersberga goes smoothly.

Yours in Christ,

Chris & Lotta and Obi
