

# Fields of Life December 2020 Prayer Letter

## **Please Pray...**

- For our sponsored children and their families during this Christmas period, that they will experience what love is in their lives.
- For wisdom for our team in East Africa as they are currently undergoing a strategic plan development process. Please pray that their new strategic plan will be spirit led, and aid the goal of sharing the Christian faith through all of our programmes.

- For our team in East Africa, as they carry out their work with vulnerable communities despite the high level of community transmission of COVID-19 in Uganda.
- For peace in Uganda. The presidential election which is planned for February has already begun to cause unrest.
- Give thanks for the wonderful response to our Christmas Campaign, Love Is. Please pray that this generosity will continue so that even more lives can be changed in East Africa.

**We would like to sincerely thank you for helping us to share God's message of hope and love to vulnerable communities in the midst of such difficult circumstances. We value your prayers as we continue to stand with and support these communities in the months ahead.**
